

GLENWOOD

UPGRADES FIRE CODES FOR A SAFER COMMUNITY

Congratulations Mayor Jeanne Maggio and the Glenwood Trustees!

A few months ago, the Village of Glenwood passed an ordinance requiring all new single-family homes to be protected with a fire sprinkler system following the NFPA 13D Standard. The ordinance also requires all new commercial buildings to be protected with fire sprinklers regardless of size except occupancies classified as business, mercantile and storage facilities, which must be 2,000 square feet or larger.

By upgrading their codes, Glenwood has become a fire safe community protecting those who live, work and visit there. It also helps safeguard the firefighters who respond to the incidents.

Mayor Jeanne Maggio and the Glenwood Trustees:

Trustee Ron Gardiner
Trustee Christine Duvauchelle
Trustee Larry Williams
Trustee Linda M. Frank
Trustee Joseph J. Barry, Jr.
Trustee Twone Thomas
Trustee Leonard P. Hill, Sr.

Mayor Jeanne Maggio

Congratulations for following FEMA's America Burning guidelines for the protection of citizens and FEMA's Firefighter Life Safety Summit recommendations for the protection of firefighters.
