

LA GRANGE PARK

UPGRADES FIRE CODES FOR A SAFER COMMUNITY

Congratulations Village President Dr. James L. Discipio and La Grange Park Trustees!

More than four years ago, the Village of La Grange Park passed an ordinance requiring all new single-family homes to be protected with a fire sprinkler system following the NFPA 13D Standard. The ordinance also requires all new commercial buildings to be protected with fire sprinklers regardless of size except occupancies classified as business, mercantile and storage facilities, which must be 2,000 square feet or larger.

By upgrading their codes, La Grange Park has become a fire safe community protecting those who live, work and visit there. It also helps safeguard the firefighters who respond to the incidents.

Village President Dr. James L. Discipio and the La Grange Park Trustees:

Trustee Tim Hayes

Trustee Charles E. Joern, Jr.

Trustee Rimas Kozica

Trustee David O. Raddatz

Trustee Michael Sabella

Trustee Tina Sonderby

Village Clerk W. Kerry Brunette

Village President
Dr. James L. Discipio

Congratulations for following FEMA's America Burning guidelines for the protection of citizens and FEMA's Firefighter Life Safety Summit recommendations for the protection of firefighters.
