

# HUNTLEY FIRE PROTECTION DISTRICT

## UPGRADES FIRE CODES FOR A SAFER COMMUNITY

### Congratulations to the Huntley Fire Protection District Board of Trustees!

In August 2004, the Huntley Fire Protection District passed a zero fire tolerance fire sprinkler ordinance requiring all new commercial buildings to be protected regardless of size. In addition, all new single-family homes require residential quick response fire sprinklers installed according to the NFPA 13D standard. Today, there are over 1,000 new homes protected with fire sprinklers.

As a result, the Huntley Fire Protection District has become a fire safe community protecting those who live, work and visit there. It also helps safeguard the firefighters who respond to the incidents.

#### Huntley Fire Protection District Board:

President Milford Brown

Treasurer Fred Olson

Secretary Bonnie Bayser

Trustee John Davis

Trustee Robert Kunde

*Congratulations for following FEMA's America Burning guidelines for the protection of citizens and FEMA's Firefighter Life Safety Summit recommendations for the protection of firefighters.*
