

FIRE SAFE COMMUNITY

RIGHTON PARK

"A proud past and bright future"

Village President Richard "Rick" Reinbold

CONGRATULATIONS VILLAGE PRESIDENT RICK REINBOLD AND THE RIGHTON PARK VILLAGE BOARD!

The Village of Richton Park in conjunction with the Richton Park Fire Department are to be congratulated for increasing the fire safety and protection for their citizens. They have upgraded their fire code by passing a "zero square foot" fire sprinkler ordinance. The ordinance requires fire sprinklers in all new multi-family and commercial construction. The new ordinance went into effect as of June 9, 2008. It follows the 2006 edition of International Fire Code (IFC) with amendments

As a result, Richton Park will become a truly fire safe community protecting those people who live, work and visit. It also helps safeguard the firefighters who respond to emergency incidents.
