

FIRE SAFE COMMUNITY

FLOSSMOOR

"An American Hometown for Tomorrow's World"

Chief Daniel Hornback and Assistant Chief Dave Habecker of the Flossmoor Fire Department

CONGRATULATIONS CHIEF DANIEL HORNBACK, ASSISTANT CHIEF DAVE HABECKER AND THE FLOSSMOOR BOARD OF TRUSTEES!

Fire Chief Daniel Hornback, Assistant Chief Dave Habecker and the Flossmoor Fire Department are to be congratulated for maintaining a high degree of fire safety for their community. The Village of Flossmoor follows the 2006 IBC with amendments and have a "zero square foot threshold" fire sprinkler requirement for all new commercial and multi-family residential buildings. The village has been a "zero square foot" community since 1997. Recently, the unincorporated Sunny Crest subdivision was able to pass a 13D sprinkler ordinance for all new single-family homes with the aid of Chief Hornback and his staff. The Village of Flossmoor and the Flossmoor Fire Department are making a commitment to fire safety.

As a result, Flossmoor will become a truly fire safe community protecting those people who live, work and visit. It also helps safeguard the firefighters who respond to emergency incidents.
