Chief Mike Schofield, Deputy Chief William Bonnar and Bureau Supervisor Joey Jeraminas of the Homer Township Fire Protection District

CONGRATULATIONS CHIEF MIKE SCHOFIELD, DEPUTY CHIEF WILLIAM BONNAR, BUREAU SUPERVISOR JOEY JERAMINAS AND THE HOMER TOWNSHIP FIRE PROTECTION DISTRICT BOARD!

Chief Mike Schofield, Deputy Chief William Bonnar, Bureau Supervisor Joey Jeraminas and the Board of Trustees from of the Homer Township Fire Protection District are to be congratulated for maintaining a high degree of fire safety for the fire protection district residents. Homer Township Fire Protection District has adopted a "zero square foot threshold" fire sprinkler ordinance that requires fire sprinkler systems in all new commercial, multifamily and townhome buildings. The District follows the 2006 IBC and 2006 IFC national codes with amendments.

As a result, Homer Township will become a truly fire safe community protecting those people who live, work and visit. The ordinance also helps safeguard the firefighters who respond to emergency incidents.
