

FIRE SAFE COMMUNITY

SCHAUMBURG

Schaumburg

CONGRATULATIONS FIRE CHIEF DAVID SCHUMANN, FIRE MARSHAL TERRENCE SIMALE AND THE SCHAUMBURG VILLAGE BOARD!

To further increase safety and protect Schaumburg citizens, Fire Chief David Schumann and Fire Marshal Terrence Simale worked closely with the Schaumburg Village Board to update its building and fire codes using the 2009 Editions of the International Building (IBC), Fire (IFC) and Residential (IRC) Codes. The code updates further solidify Schaumburg's previous fire sprinkler requirements for commercial buildings and high-rises. All new single-family homes will now be fire sprinkler protected using the NFPA 13D standard, joining 73 other Illinois communities that provide the highest level of fire protection for residents.

The trustees and board members of the Schaumburg Village Board should be proud of their long tradition of fire safety protecting their community now and into the future.

Village President Al Larson and the Schaumburg Trustees:

Trustee Marge Connolly
Trustee Hank Curcio
Trustee George Dunham
Trustee Frank Kozak

Trustee Mark Madej
Trustee Jack Sullivan
Village Clerk Marilyn Karr

Congratulations for following FEMA's "America Burning" guidelines highlighting the safeguard of citizens and FEMA's "Firefighter Life Safety Summit" recommendations for the protection of firefighters.
