

FIRE SAFE COMMUNITY

LAKE ZURICH

Fire Chief David Wheelock and Asst. Fire Marshal Guy Trayling

CONGRATULATIONS FIRE CHIEF DAVID WHEELOCK AND ASST. FIRE MARSHAL GUY TRAYLING AND THE LAKE ZURICH VILLAGE BOARD!

To provide an improved minimum standard for the safety and protection of Lake Zurich citizens and firefighters, former Fire Chief Terry Mastandrea, current Fire Chief David Wheelock, and Assistant Fire Marshal Guy Trayling worked closely with the Village of Lake Zurich Board of Trustees to amend and update building and fire codes to the 2006 editions of the International Building (IBC), Fire (IFC), and Residential (IRC) Codes. These newly adopted standards further solidify Lake Zurich's commitment to utilize fire sprinkler systems as lifesaving elements for multifamily residential, commercial, and high-rise structure that have been inherent in the community's development since 1997.

All new single-family homes will now be protected with fire sprinklers using the NFPA 13D standard, joining 75 other Illinois communities that provide the best technology available for fire- and life-safety protection for residents.

The president, trustees, and staff of the Village of Lake Zurich should be proud of their long tradition of providing superior service to fire- and life-safety protection to the community now and into the future.

Village President Suzanne K. Branding and the Lake Zurich Trustees:

| Trustee Jeffrey Halen | Trustee Jonathan Sprawka |
| Trustee Terry Mastandrea | Trustee Richard Sustich |
| Trustee Tom Poynton | Village Clerk Kathleen Johnson |
| Trustee Dana Rzeznik | |

Congratulations for following FEMA's "America Burning" recommendation to make fire sprinklers a community's major front-line fire defense, and FEMA's "Firefighter Life Safety Summit Initiative #15," which calls for fire sprinklers in new residential occupancies to protect firefighters and reduce firefighter deaths and injuries.
